SUMMARY OF THE REASONS FOR DECISION:

The DVD *Tristan Taormino's Ultimate Guide To Anal Sex For Women* is classified as: Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The publication is a DVD containing a sexually explicit feature that is a compilation of two features appearing on two video recordings previously classified by the Office of Film and Literature Classification. The compiled feature is identical to features appearing on the video recordings: *Tristan Taormino's Ultimate Guide To Anal Sex For Women* (OFLC No. 9902046, decision registered on 29 November 1999) and *Tristan Taormino's Ultimate Guide To Anal Sex For Women Part 2* (OFLC No. 63, decision registered on 20 March 2000). The DVD also contains a sexually explicit behind-the-scenes component about the making of the feature that is identical to a component contained on the latter video recording. Both video recordings were classified as objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years, with the descriptive note "Contains explicit sex scenes".

The DVD contains other components such as biographical information about the director and producer, and a list of website addresses. Some of these components also contain sexually explicit material. However, these additional components do not contain anything that would result in the DVD receiving a different classification to that given to the video recordings. Therefore, the DVD is also classified as objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.
